NOTICE INVITING E-TENDER

NIB No. NEEPCO/AGBP/ST & AUX/2019-20/13 dated 03.03.2020

SECTION-I

DETAIL NOTICE INVITATING E TENDER

Undersigned, on behalf of CGM & HOP, AGBP, NEEPCO Ltd. Invites e- tender under single stage two bid system with 180 (one hundred eighty days) days validity from prospective experienced bidders for "Supply and replacement of fill packs of cooling tower of Assam Gas Based Power Plant, NEEPCO, Bokulani, Dibrugarh, Assam.

Interested bidder may view/download bid document available at <https://etenders.gov.in> and requested to visit <http://www.neepco.co.in> frequently for any changes/modifications/corrigendum related to this tender.

1.0 Brief Scope of works and other specific details: 1) Supply and replacement of old clogged fill packs of Cooling Tower of AGBP as per technical details/specification as specified in technical condition and specification. **2)** Taking out of removed old fill packs out of the plant for further disposal/recycling.

2.0 Qualifying Requirement for Bidders:

The bidder who intend to participate in the bidding process must fulfil the following qualifying criteria.

- a) The bidder should have his own manufacturing facility for producing the required quality fill sheet of dimension 1210 mm x 920 mm or above with established quality assurance facility and follow the standard for quality check as per quality plan or capable to get quality check at any approved laboratory and the bidder should also have experience of supply and installation of fill packs of dimension not less than as above in any Govt/PSU or any reputed power sector in preceding last 7 years counted from the date floating open e tender.
- b) The bidder who is not a manufacturer but supplied and installed PVC fill packs of sheet size not less than 12100 mmx 920 mm in any reputed power sector provided he/she is associated with a manufacturing unit who manufactures fill sheet of sizes as mentioned above. In such cases, the bidder shall have to furnish deed of association with the manufacturing unit duly signed by both the parties.
- c) In both the cases as mentioned in clause no. a) and b), the bidder should have executed the purchase/work order of supply and installation of PVC fill packs of cooling tower in any reputed power sector fulfilling following financial criteria.
 - Executed single order of basic value not less than 50 lacs in preceding 7 years.
 - Executed order of basic value not less than 30 lacs each in two executed contract in preceding 7 years.

NB: Executed means successful supply and commissioning of awarded contract.

- The bidder shall have to furnish/upload documentary evidence of the same i.e copy of purchase/work orders and successful completion certificate.
- d) Average annual turnover of the bidder in the preceding three (3) financial year counted from the date of floating e tender shall not be less than 1 (one) crore and the bidder shall have to upload P&F account and balance sheet accordingly along with techno- commercial bid.

N.B. Apart from above noted pre requisite qualification, the bidder must have to arrange to take out the old removed clogged fill packs as it condition from the plant for further recycling and noncompliance of the same shall be one of bid rejection criteria without call of any deviation.
